Jalapeno Jack Cheese, Pickled
Onions, on Texas Toast*

SHRIMP SCAMPI

DON'T MISS IT...

TUESDAY!

What Is Shrimp Scampi?

Shrimp scampi is an Italian-American dish that consists of large shrimp cooked in butter and garlic, served over pasta. It has its roots in traditional Italian cuisine but has evolved into an American classic. It's also, a great way to use up any leftover ingredients you might have in the fridge – just throw them together with some butter, garlic, a and of course, shrimp!
